## Narcotics Anonymous is

a non-profit fellowship of men and women  
for whom drugs had become  
a major problem.

We are recovering addicts who meet  
regularly to help each other stay clean.

### We Do Recover

When at the end of the road we find  
that we can no longer function as a  
human being,  
either with or without drugs, we all  
face the same dilemma. What is there  
left to do?

There seems to be this alternative:  
either go on as best we can to the  
bitter ends

– jails, institutions or death –  
or find a new way to live.

In years gone by, very few addicts  
ever had this last choice.

Those who are addicted today are  
more fortunate. For the first time in  
man's entire history, a simple way has  
been proving itself in the lives of many  
addicts. It is available to us all. This is  
a simple spiritual – not religious –  
program, known as

Narcotics Anonymous.
